DESCRIPTION:

Sea fishing is considered one of the most exciting, emotional and extreme leisure activities in America.

If you are a true fan of spinning rods, fishing rods, or just want to get a new unforgettable experience, come with us for sea fishing off the coast of the Atlantic Ocean near Miami. Such a trip will be remembered forever, and you will definitely make the biggest catch of your life!

When fishing in the open ocean, you can not only get a lot of colorful emotions and thrills, but also the opportunity to catch such a gorgeous fish as mahi-mahi. In addition to these fish, Florida is also rich in other amazing and diverse marine life, such as sharks, tuna, sailfish and many others. They will be excellent trophies and pride for every angler.

Be sure to bring snacks and drinks with you on your trip (they can be stored on the boat in a special refrigerator) that you can enjoy while fishing. We promise you that our captain on his fishing yacht will take you to the most “fishy” places, where you will not only make your catch, but also admire the beauty of the water world.

At the end of the excursion, you are guaranteed to return to the pier with fish. The team of professionals on board will fillet it especially for you, so you can take it home with you or go to a local restaurant where it will be deliciously prepared for you. In the evening, enjoying a “homemade dinner” with family or friends, you will happily remember the bright events of the past day.

Sea fishing is a leisure activity for true connoisseurs of bright emotions, adrenaline, excitement, and the joy of the catch.
