DESCRIPTION:

Accompaniment by a Russian-speaking guide around the territory of Animal Kingdom Park - 8 hours

Discover one of the largest theme parks in the world, Animal Kingdom. More than 1,700 animals live here. You will take part in exciting adventures and see exquisite parades and performances. Explore 6 exciting sectors: Oasis, Discovery Island, Africa, Rafiki's Planet Watch, Asia and DinoLand. See exotic animals, walk through fascinating jungles and sample dishes at themed restaurants! The entire territory of Animal Kingdom is a beautiful zoo where you can see monkeys, various birds and animals. Safari through the African Savannah in trucks in the style of African explorers - you drive through a unique wild landscape to Mount Kilimanjaro. There are lions, rhinoceroses, giraffes and a bunch of other wild animals around, thousand-year-old Baobab trees (some - they say - are real - transported from Africa).

The park is beautifully decorated in African style. You can talk as much as you like, but it's better to come and ride the Everest attraction yourself - this is a mountain with adventures. A roller coaster with a plot, "unexpected" stops, and "breakdowns" along the way. 7 minutes of adrenaline. Everest is located in the most extreme sector of Asia, where there is also an attraction with a valley of geysers and river rafting. At the Dinosaur Territory, you can not only see skeletons, but also get a complete picture of what our earth looked like when giant reptiles walked across it. No matter how much you prepare, you will still get wet to the skin on water attractions. Discovery Island is an area in the very center of the park. Here are the most beautiful and safest animals. The symbol of Animal Kingdom is also located here - the tree of life. In the Mini and Mickey Mouse camp, the youngest visitors will be happy to interact with cartoon characters and watch the Lion King show. Avatar is a large-scale project dedicated to the World of Pandora.

Meeting with the guide near the entrance to the park by agreement. If necessary, I pick up tourists from the hotel and take them back after the excursion.
