DESCRIPTION:

Miami Art tour – is a 4-hour fascinating excursion, which will allow you to plunge into the atmosphere of art reigning in the art districts of Miami.

At the beginning of the tour you will meet with a guide and begin your acquaintance with the three outstanding Miami's art districts: Midtown, Design District and Winwood Art block. These rapidly developing areas are various galleries, museums, exhibitions, installations and other types of contemporary art.

In Winwood we'll see a private collection of Martin Margulies, where modern and ancient photographs, videos and sculptures are collected, on an area of 45,000 square feet. Also will see the collection of the Rubell family - one of the largest private collections of contemporary art in North America and visit the famous Wall of Winwood, adorned with the works of the world's greatest graffiti and street artists.

In the Design District we recommend to visit the "De la Cruz" gallery, where you can get acquainted with the works of some of the most popular artists of the last decade.

During the tour, you can also visit many fashion boutiques and city art shops that have become the hallmark of these unique blocks.
