### DESCRIPTION:

Our sightseeing Miami tour is a very interesting and unusual excursion that goes through the most interesting and iconic places of the city. The tour is leaded by a professional guide and we have stops in various special places where you can make wonderful pictures.

During the tour we will drive along the main street of Miami Beach - Collins Avenue, from the northern part of the city to the southernmost one. We will visit modern residential communities, where almost every high-rise or private house has expensive white yachts. We will drive through the town, which locals call "little Russia", as there are a lot of Russian-speaking population here. You will find out where many celebrities live and rest, including Russian stars.

We will visit the famous historic area of Art Deco, the most popular street - Ocean Drive, with the villa of Gianni Versace located on it. After passing one of the six bridges connecting Miami Beach to the Big Land, we will get to the business part of the city - the main financial district of South Florida, "South Manhattan" - Brickell Avenue. It is a high-rise residential area with expensive luxury condominiums, the place of the largest concentration in the United States of international banks and most foreign consulates.

Also our tour includes the famous cruise on Biscayne Bay, where you will have a great opportunity to see the whole city center from the water, the cruise and cargo ports of Miami.

We will see Fisher Island - an island with special access, a city in the city. We will see the Star Island, where multimillionaires live, such as Sylvester Stallone, Gloria Estefan and other celebrities.

On the other island - Palm Island - is a mansion which in the 30's lived a famous Chicago gangster Al Capone.

After the tour, the guide will take you back to the hotel with comfort. If desired, you can also continue walking around the city on your own, visit one of the best restaurants in Miami (take recommendations from the guide), or go shopping to the shopping center.

Optional: you can include in the tour a helicopter flight over Miami - from \$ 195 / person, 30 min. (booked in advance).
