### DESCRIPTION:

Orlando is a city of bright colors, which is often called East Hollywood because of the large number of entertainment associated with the cinema. Here the sun shines almost all year round, a lot of entertainment, restaurants and shops, modern comfortable hotels, interesting museums and more than 80 parks with rich tropical vegetation, many lakes and amazing fauna.

The wonderful city of Orlando is located in the center of Florida and is home to more than a dozen theme parks. The main and world famous is the Walt Disney World consisting of parks such as the Magic Kingdom and Epcot, as well as water parks.

Spend a busy and exciting day in Orlando, one of America's greatest cities. The moderate climate and many attractions make this city a must-see for every tourist.
