DESCRIPTION:

Today, business tourism is a very promising and challenging type of modern tourism activity. We have achieved a new level in performing M.I.C.E services

to our customers, thanks for a strong support of private business and entrepreneurship by the government of Uzbekistan and special attention paying to the development of business tourism. We are ready to study up international experience and share ours. There are more than 500 venues for conducting M.I.C.E. events in the country - hotels, congress centers, universities, museums and theme parks. Exhibition and congress facilities have all you need for conducting events at the highest level.

A lot of different international conferences, seminars, workshops, business meetings and other significant events are taking place in Uzbekistan nowadays. We are one of the leading companies organizing M.I.C.E. events in Uzbekistan. We have multilingual translators, high-quality technical equipment and a professional team of event managers who are ready to support you in achieving your goals and desires in order to get outstanding results.

Our M.I.C.E services include:

- Meeting, congress, conference, symposium, team building activities
- destination selection for your event - welcoming and farewell ceremonies
- planning and budgeting of your event - airport and transport coordination
- accommodation management - hotel, venue and activities booking and contracting
- simultaneous interpretation services
- provision of equipment for simultaneous interpretation services
- sound, video, lighting systems
- food and beverage
- tours management
- logistic services
