DESCRIPTION:

You will see the beautiful Eiffel Tower, the Pantheon - the tomb of the great men of France, the elegant Arc de Triomphe, from which originated the Champs Elysees street with its luxurious boutiques, hotels and restaurants, and in the Christmas period - the brilliant illumination and decorations The Louvre Palace is the most popular art museum in the world with its extravagant glass pyramid on the main square. You will visit four main squares of the capital Vendome the most ancient square of Paris - Vosges Bastille and Concord squares. And, of course, it is impossible to ignore the harbor of Parisian bohemia from ancient times - the Montmartre quarter with its snow-white cathedral Sacre Coeur, from the observation platform of which you can see the whole of Paris, in full view. And at its foot, rotating the blades of a red neon mill, invites passers-by and nightlife lovers to the legendary Moulin Rouge cabaret.
